

MALEK GARGOURI

DATA SCIENTIST & MACHINE LEARNING ENGINEER

CONTACT

- +216 50 260 222
- malekgargouri@gmail.com
- Tunis, Tunisia

SKILLS

- Programming: Python, SQL, Bash
- Frameworks: Django, Scikit-learn, Pandas, NumPy, FastAPI
- Tools: Docker, Git, Jupyter, VSCode
- Database: PostgreSQL, MySQL
- Data Science: Data cleaning, feature engineering, model deployment, KPI analytics

LANGUAGES

- French: Fluent
- English: Professional
- Arabic: Native

SUMMARY

Passionate and result-oriented Data Scientist with 2 years of experience in building and deploying data-driven solutions using Python, Django, and machine learning frameworks. Strong background in data analysis, model development, and automation of workflows in Dockerized environments. Eager to contribute to UIB's Data/AI team by delivering business insights and optimizing processes through advanced analytics.

EDUCATION

- Master's Degree in Data Science & AI** 2021 - 2023
ESPRIT - Private Higher School of Engineering and Technology
- Bachelor's in Computer Science** 2018 - 2021
Faculty of Sciences of Tunis

PROFESSIONAL EXPERIENCE

- Data Scientist & ML Developer** Feb 2023 - Present
Topnet, Tunis
 - Developed and maintained web applications using Python and Django
 - Built machine learning models for customer segmentation and churn prediction
 - Deployed automated data processing pipelines in Docker containers
 - Designed dashboards for KPI visualization and business insights
 - Collaborated with cross-functional teams to deliver end-to-end ML solutions
- Academic Project - ML Recommender System** Sep 2022 - Jan 2023
ESPRIT School of Engineering
 - Developed a product recommendation engine using collaborative filtering
 - Built and exposed a Django REST API for serving model predictions
 - Containerized the system using Docker for reproducible deployment
